Terms and conditions

Thank you for your interest in our Residency program.

Please read the information below about our Residency program, and if you are interested, fill in the **application form** and send it together with you **CV/ Bio** in .pdf format.

Requirements;

Two years of professional experience in related fields.

To connect you practices and research during the residency period with the local context, and/or a broad approach around our main topics: *Body, Spatiality and Territory*.

Calendar;

To be able to fit with the program, mentoring and collective presentation, each residency program starts with the beginning of a month and ends by the end of the last month applied.

Costs;

The Residency program is run by AADK Spain, which is a non-profit organization. Total costs per person for the Residency program is 1500€ per month + accommodation.

Funded by the host:

AADK Spain invests 850€ (a 60%) per resident in the residency program, and the Municipality of Blanca supports with the accommodation, .

Paid by the resident:

650€ per month (40% of total costs). If the resident works collectively there is an extra cost of 100€ per month per person, only if working in the same project, and sharing the studio and accommodation.

Travel costs

Day-to-day living expenses

Costs of production materials

We offer:

Accommodation with fully equipped kitchen and shower;
Working and exhibition spaces;
Technical equipment;
Mentoring by AADK members;
Curatorial advice;
Communication;
Assistance on the production (not production costs);
Public presentation of your process;
Connections with local, regional, national and international institutions;
The possibility to participate in other programs of AADK;
Dissemination of your work after the Residency program;

Once you are selected, we could send you an invitation letter and provide any other support if needed for the individual search for the grant.

Visa:

Is absolute responsibility of the resident to take care about the visa issues related to the time requested for the residency stay.
AADK Spain will facilitate the documents and required and possible for the organization such as the contract or letter invitation.

Time recommended:

Despite the slowness of village life, our experience with the residents have shown us that is recommended to make at least 2 months to be able to experiment and improve your trials, the History, the community and landscape is overwhelming and people needs some time to breath in the context. Many residents come for one month because they have no other choice and get the best of it, but all wish to be able to stay longer.

Applications

All applications are to be sent by email to info@aadk.es
Please write "Residency Application" in the subject line.
Please do not send files bigger than 10 MB. If you have larger files please zip them or send by online file sharing service (for ex. www.wetransfer.com).
Please note that only selected applicants will be informed about the results via email before the end of December.
